MASS UNIFORM - Many parents have expressed to me that they would like a mass uniform. I have discussed this with the teachers and Fr. Kevin. We feel a mass uniform would look very nice and show respect. When the students grow up, they will need to dress certain ways in certain situations.

Boys – uniform pants, tie for all grades, white dress shirt

Girls – white blouse, skirt (can be navy, our plaid, black or green) Does not have to be a uniform skirt but no pattern.

The mass uniform will begin in January.

If you have any questions, please call me.

Class News

Third Graders made thermometers in science class.

For Native American Month the fourth graders have been researching a tribe native to Ohio. This week they are comparing their lives to those of the Delaware, Shawnee, Miami, Mingo, Wyandot, and Ottawa children's lives.

FOOD COLLECTION for the Hunger Task Force. They are asking for canned fruit, vegetables, tuna, chicken and chili/stew, mac & cheese, and pastas. Please feel free to drop off food at the school at any time.

Thank you to the Campbell family for the donation of books to the SPJ Library.

The children wait patiently as the turkey simmers in the oven and the casseroles are baking. The aromas of the turkey smells delicious as they waft through the house. The sweet potatoes and pies cooking as they anticipate the wonderful sweet tastes. We are very fortunate to be blessed with all these gifts. Let's remember others who aren't as fortunate. Scripture is rich in passages which directly or indirectly emphasize the necessity of contributing to the needy. The Church in Apostolic times shows that the early Christians fully realized the importance of this obligation. Thanksgiving is a time for family to come together and give thanks to God for his blessings. We stop our busy schedules and take time to eat together and watch football. Share your gifts God has provided for you and help others in need.

"Blessed is he that considers the needy and the poor"
(Psalm 40:2)
