

2014-2015 Calamity Days

Beginning with the 2014-2015 school year, districts that change to an hour-based schedule will no longer have calamity days. Instead, schools may schedule "excess" hours above the minimum number. Hours missed above the minimum do not have to be made up. However, if a school closes enough that it will fall below the minimum number of hours, the school must extend its scheduled year. The required minimum hours for our school is 1,001 hours. We have 1,127 hours in our calendar. We have 126 extra hours built in to our calendar.

Reasons to close the school: Disease epidemic; Hazardous weather conditions; Law enforcement emergencies; Inoperability of school buses or other equipment necessary to the school's operation; Damage to a school building; or other temporary circumstances due to utility failure rendering the school building unfit for school use.

PSAS - Private School Aid Service Forms are now available in the office. If you would like to apply for a scholarship to help with tuition, please pick one up or call us and we will send one home. There are many scholarships available.
