Important News on The VanDevere Chevy Car Raffle Tickets

Keen observers have noted and reported that the tickets for the raffle note that the car to win is a Chevy Cruze; we are actually raffling a Chevy Spark. The Cruze was the original vehicle to be raffled, but plans were changed and the ticket company was not alerted.

Here's how we are rectifying the situation:

- All remaining tickets in the office will be corrected.
- All persons who have purchased a ticket will be called and made aware of the misprint.

This leaves the tickets out in the school community that have not been sold. **Please, when selling the tickets, note to the purchaser that the raffle is for a Chevy Spark. The cash payout is still \$9,000.** As an extra precaution, I will be calling all purchasers of tickets #'s 1-845 upon receiving their paid ticket stubs to let them know of the discrepancy.
