Elementary Students to be Recognized at The Game!

At the Big Game on Sept. 14, at halftime, STA's game announcer will announce each school and have the students walk on to the field. The announcer will make a call for all elementary students to meet on the track on the east side of the stadium (away from the entrance and concession stand). There will be high school students standing on the track with signs for each school. Students are to assemble near the sign of their school. Once all schools have been announced, then we will walk the students over to the concession stand area.

SKI CLUB 2017-2018

Ski season is fast approaching, believe it or not. We have offered ski club for SPJ families for the past 2 years on Sundays from 4-8pm. We would like to continue ski club, but we need to have enough skiers to make it possible.
